### Reading of the Constitution

Tune in tomorrow, Thursday, Jan 6 at 9 AM to CSPAN to watch a historic reading of the Constitution on the U.S. House Floor. This is a Tea Party victory!

From FoxNews: "Though it has been inserted as text into the Congressional Record before, the supreme law of the land has never been read aloud before in the body known as "the People's House."

The man responsible for the exercise, Rep. Bob Goodlatte, R-Va., says it's more than just a simple civics lesson.

"This is a very symbolic showing to the American people," said Goodlatte, "and it's a powerful message to members of Congress. We are a nation of laws, not of men."

**Friday, Jan 7, 11 AM** Listen to 11 O'Clock Live with Jim Sandell, on Radio 720 AM, for a Tea Party discussion.

#### Tea Party 2010: A year of review in photos

This article from the Washington Times Tea Party Report, briefly sums up the Tea Party 2010 with photos from around the country. One thing is certain: 2010 was a great success, yet it was only practice for 2011 and 2012. Whether on a national or a state level, we will be watching our elected officials, and we intend to hold them accountable for their actions.
